## FAIRTRADE CONFERENCE FOR SCHOOLS

**Monday 26 February from 10.00am - 2.00pm**

Wells Cathedral is working with the Fairtrade Foundation to put on an exciting event that explores fairtrade.

- **Listen to real stories** from farmers and workers in poor countries and find out how fairtrade can make a difference
- **Explore what can be done** to challenge injustice and poverty through playing a fair/unfair game
- **Step into the shoes** of children living in Zambia, Malawi and Eritrea with artefacts, photos and food tastings!

Aimed at KS2 pupils @ £3.90 per pupil. Limited spaces so book early to avoid disappointment. Come as a group or a class.
