

CATALOGUE

Wells Cathedral has added the catalogue of its approximately 4,000 books in the Chained Library to its website for illustrative purposes in response to enquiries about the scope of the collection.

The part-time nature of the library staffing is such that we can respond to genuine enquiries from scholars who can verify their research qualifications and needs, but more general enquiries may wait some time for a response. The books of the Chained Library can be viewed during our special Library Tours. These can be booked via visits@wellscathedral.uk.net or call 01749 674483 and ask to speak to Visits.

Research enquiries from scholars should be addressed to the Cathedral Librarian, Kevin Spears library@wellscathedral.uk.net
